Rep. Hoffman To Speak at GOP Dinner

By Harry H. Stern

Antioch Township Republican Men's Club members are all set for a night of festivity and food on March 30, when their officers elected for the 1963 term will be installed in office.

Club chairman Herbert Horton announced the principal speaker of the evening will be U. S. Representative Elmer J. Hoffman, illustrious Illinois Republican leader, who is well remembered for the excellent record he established during his two terms as State Treasurer from 1952 to 1960, as well as his vote garnering ability when he carried Cook County, in itself a remarkable feat, by the largest majority on the ticket. He is presently representing the 14th district of Illinois in the 88th congress, as he did in the 88th and 87th and is a member of the powerful Rules Committee.

Hoffman has devoted half

of his life to public service, beginning in 1930 in the sheriff's office of DuPage County, and from 1938 alternately held the post of sheriff and chief deputy until 1951 when he became probation officer for DuPage County and Circuit Courts.

He has been a Republican precinct committeeman for 30 years and was elected County Chairman in 1949, and still holds that position. "Under his leadership DuPage County attained tremendous Republican vote majorities," said Horton.

The County Chairman of Illinois elected him a vice president of their state organization in 1950 and president of the Second Appellate Court District.

Elmer is secretary-treasurer of the Illinois Sheriff's Association.

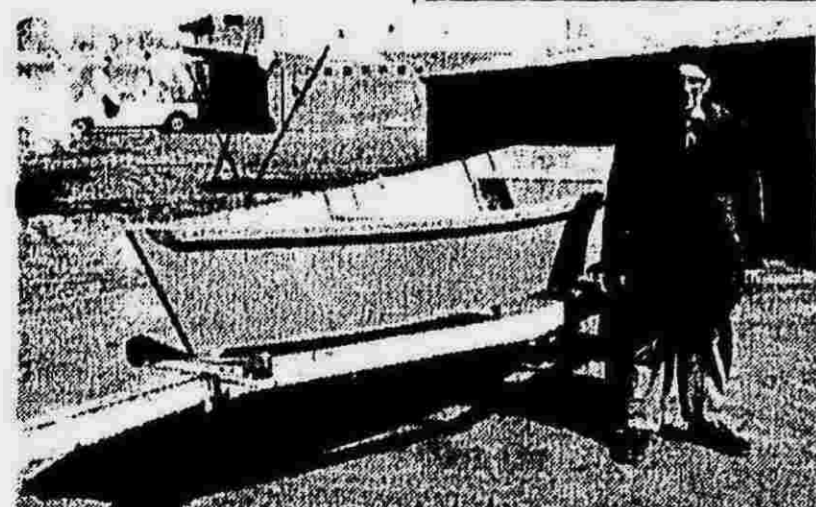

Stazalka Wins News Auction

Peter Stazalka, Rt. 1, Antioch, is the winner of the fourteen foot rowboat auctioned off by the Antioch News.

Mr. Stazalka bid \$75.00 for the rowboat. The retail value is \$110.00.

Mr. Stazalka recently moved to Antioch and wants the rowboat for fishing.

Watch our pages for announcement of the next auction.

Boys Shake Hands With President

Two eighth grade boys from St. Peter's School received what is probably the ultimate thrill last Saturday—they shook hands with President John F. Kennedy.

The two boys—Thomas Jermakowicz and Ray Pelenik—were with the eighth grade class when it made the trip to O'Hare Field last week to witness the dedication of the field and see President Kennedy.

The group accompanied by Sister Mary Patrick Joseph, Sister Mary Herbedette, Fr. Hanley and Fr. Henderson, Bort Hites drove the bus.

The group left the school at 8:30 a.m. and returned about 5 p.m. They toured the airport, had lunch, viewed the dedication (where they also saw Governor Kerner) then returned home.

Awards Dinner Scheduled for Scout Leaders

Several hundred scoutmasters, den mothers and other adults active in scouting were honored at the annual leaders' appreciation dinner of the North Shore Area Council, Boy Scouts of America, Saturday evening, March 23.

Special awards were given to 69 persons, including several from the Antioch area.

A Scouter's Key was given to Joe Hellstern, Antioch; Scouter's Training Award to Earl J. Beese, Antioch; Walter Carro, Jr., Antioch; and John R. Eckert, Antioch; Den Mothers' Training award to Dolores Eckert of Antioch.

The affair, one of the council's major yearly activities, was held starting at 7 p.m. in the Highland Park High School cafeteria and auditorium.

The Silver Beaver award, top honor an adult can receive for participation in council activities, were presented to four persons.

Bob Poser Needs Blood

Robert Poser, a well-known member of the Antioch Police Department, is badly in need of donations of blood.

Bob underwent surgery on March 18. He has received several transfusions and needs more. The blood he has received and will receive must be replaced.

Blood type of donors does not matter—any blood type will be accepted as replacement.

About 26 pints of blood will be needed, it is expected. Bob is a patient at Presbyterian-St. Luke's Hospital in Chicago. Blood may be given at the Blumberg Blood Bank in Waukegan and designated as for Mr. Poser.

The Antioch Police Department can be contacted for any further information.

GEORGE MAZZUCA AND MARVIN HEATH shake hands as Mazzuca announces his withdrawal from the race for the office of County Supervisor.

Candidates For Town Offices

By Pearl Kapell

In the weeks preceding the election, we have published interviews with each of the candidates seeking office as Township Supervisor or Road Commissioner.

The interviews were un-critical reports of the candidates' own statements. This week we will give a short recap of facts about the candidates.

Lloyd "Red" Murrie is the incumbent, running for his third term as Town Supervisor. He is the Republican candidate for the office.

His answers to some of the questions we asked him are in a Letter to the Editor on the Editorial page. He preferred to write his answers.

George Mazzuca has withdrawn from the campaign.

Marvin Heath, candidate for Supervisor, operates the M. W. Heath & Son Contractors in Antioch. He has pledged active representation on the county board, a determined stand against the proposed zoning ordinances, and a more equitable administration of the relief funds. He has said he would heed the wishes of the people in such matters as the building of a courthouse.

George Boyd could not be reached for further comment.

In the race for Road Commissioner, a vigorous campaign is being waged by Blaine Ring and Dick Waters. Harland Roettiger, the third candidate has done little campaigning.

Blaine Ring is the Republican candidate for Road Commissioner. He and his family live on Tiffany Road near Antioch. He has worked for four years for the highway department.

Richard Waters lives at Channel Lake. He owns and operates Dick's Tree Service. He is running as an Independent.

Both Waters and Ring promise an impartial maintenance of Town roads. Both say they are thoroughly trained in the use of heavy machinery.

All of the candidates, including George Mazzuca, will be at a meeting at the Channel Lake School at 8 p.m. on Thursday, March 28. The candidates will be introduced, give a short speech, and questions may be asked from the floor. The public is invited.

VOTE APRIL 2

Polls will open at 6 a.m. on Tuesday, April 2.

Polling places will be as follows:

Precinct 1—Antioch Fire Station; Precinct 2—Antioch Village Hall; 3—Lotus School; 4—Grass L. School; 5—Channel L. School; 6—Emmons School.

STANLEY SUTHERLAND, Sandy Drucker and Jeff Ryan rehearse for the play "Harvey".

Cancer Drive Starts April 1st

For the second straight year, the American Cancer Society's annual Crusade slogan will be "To Cure More, Give More." This year's Crusade begins April 1.

"Cancer is an emergency problem," said Dr. A. H. Sommers, Crusade Chairman for Lake County Chapter. "Every day lost in finding a cure for all cancers—or a cancer vaccine—or better methods of detecting early cancers—all of which are subjects of active research—

means lives lost. Unless we go all out on these and other essential projects, we are losing vital time.

"This is one of the reasons we say 'To Cure More, Give More,'" said Dr. Sommers. He announced that the long-time slogan of the American Cancer Society, "Fight Cancer with a Checkup and a Check," would be retained as a companion slogan.

"Basically, however," Dr. Sommers said, "we are going to concentrate on 'To Cure More, Give More,' which mirrors our stepped-up drive to reach more people with the life-saving facts about cancer."

—give more physicians the latest life-saving facts on detection and treatment of cancers

—support more qualified scientists in their search for cures, better detection methods and preventives against cancer

—give more service to cancer patients, to ease the burden on them and their families."

Pointing out that cancer cures in the past 25 years have risen from fewer than one in five cases to one in three cases—Dr. Sommers urged all residents of Lake County to make the 1963 Crusade the best ever so that more lives can be saved.

In the 1962 Crusade more than \$30,000,000 was raised, for a new Crusade record. "We must try to exceed this total in 1963, for it is a fact that cancer progress goes hand in hand with the amount spent to fight the disease," Dr. Sommers said.

"Your contribution will help conquer a scourge which will, if present rates continue, eventually strike 46,000,000 living Americans. That is why we say 'To Cure More, Give More.'"

At the Antioch Grade School, three candidates are running for the two three-year terms—Elroy Anderson and Leslie W. Sorenson, incumbents, and Robert Sonnen. Two candidates are running for the one one-year term—Wesley O. Camp and Ellis E. Dotson.

Announces Support for Heath in April Election

George Mazzuca today announced that he was withdrawing from the race for Supervisor of Antioch Township, and asking his supporters to vote for Marvin Heath. This narrows the race for Supervisor office to three candidates—Red Murrie, the incumbent Marvin Heath, and George Boyd.

Asked what prompted his decision to withdraw from the campaign, Mr. Mazzuca said that he felt that "by combining forces, we can be more sure of giving people a fair shake in this election."

"Harvey" Will Be At Antioch High School

The Comedy Harvey will be presented by the Fine Arts Department and senior class of Antioch Township High School on Friday and Saturday, March 29 and 30 at 8 p.m. in the school auditorium.

Directed by Miss Ruth Nickelson and Mr. Kenneth Smouse of the Fine Arts Department, the play is the same delightful comedy that has entranced adult and high school audiences for years. Viewers will undoubtedly remember the movie and TV versions. The play has never appeared on the Antioch High School stage.

Cast as Elwood P. Dowd, a man whose best friend is a six foot white rabbit, is junior Stanley Sutherland. Terry Manzardo has the role of Veta Louise and Sandra Cremin will be Myrtle Mae. Dr. Chumley will be played by Jeff Ryan, a young man who has proved himself in many of the high school productions. Other members of the cast include Rick Prossie as Dr. Sanderson, Sandee Drucker as Miss Kelly, and Dave Cardiff as Wilson. Lloyd Pedersen as Judge Gaffney has a role different from the others. He has played for the Antioch High School audiences. Jane Ed-

Heart Fund Drive Goes Over Top

Mrs. John Wagner, chairman of the Antioch Heart Fund Drive, has announced that \$1610.00 was collected in the recent drive.

Mrs. Wagner said, "I want to express my heartfelt thanks to all of you for your generous response. We have surpassed our goal of \$1,000."

"Your donations added to the Heart Fund Dollars will enable research scientists to find newer and better aids to help doctors in combating heart diseases. Americans will have years of useful service and joyful living added to their lives, and thousands of children will be spared the crippling effects of rheumatic fever. Truly more will live because YOU in Antioch, have given."

The Heart Fund Drive was conducted in the month of February, with volunteer workers going door-to-door on Heart Sunday for contributions.

North Main St. Paving Begun

The long-awaited completion of the re-paving of North Main St. in Antioch was begun Tuesday.

Specifications for the project have been approved by the state, Mayor Cunningham said. Work will include a 10-inch cement base with 2½ inches of blacktopping on top.

Bollander Construction Co. of Libertyville is doing the work. When completed, it will have to be approved by state engineers.

The paving was torn up during installation of the new sewer system last summer. With work on the project running later than expected, cold weather set in before repairs to the road could be made.

Mother and Daughter Hurt In Accident

Mrs. Richard Carlucci of Antioch and her 13-year-old daughter, Kathleen, were injured Friday when their car rammed another on Route 21 near Volo.

Mrs. Carlucci was cut on the face in the collision. Kathleen suffered a broken collar bone, broken teeth and facial cuts.

The accident happened when the Carlucci car, driven by Mrs. Carlucci, rammed the rear of the car of John Trent of Waukegan, which was stopped on the highway.

Mrs. Carlucci and her daughter were taken to McHenry Hospital.

"I hope," Mazzuca said, "that my action will start a trend in other towns. I am doing this to try to ensure representation on the board for the western area of the county."

In a letter Mazzuca is sending to his insurance customers, he says, "After talking to Marvin, I found that our thoughts coincide in the kind of representation we need in the western area of our county."

"We need a change and need a man who will represent US, not a party. Marvin, like myself, is an independent candidate with no party affiliations and with the best interests of the people in mind."

Mazzuca said that he hoped everyone who had intended to vote for him would vote for Heath.

The people who have been working for his election, Mazzuca said, will join in his support of Heath.

Heath expressed his appreciation of Mazzuca's action, and said it was that of "a public spirited statesman who puts the interest of the township ahead of personal feelings."

It is too late for Mazzuca to actually withdraw from candidacy for the office of Supervisor. The last day for withdrawal was February 16. Ballots are already printed, and Mazzuca's name will appear on the ballot.

However, he is hopeful that the announcement of

Future Nurses Offered Help For Training

W. C. Petty, Superintendent of Lake County Schools, today announced that arrangements had been completed for William E. Skadden, Health Educator of the Staff of the Illinois Department of Mental Health, to be in his office in Waukegan on Saturday, March 30 from 9 a.m. to 3 p.m. to explain the State Nursing Scholarship Program for any interested students or parents.

Skadden will meet with individuals or groups, either parents, counselors or students. Especially invited are high school seniors or recent high school graduates who have been employed but are still interested in a course in nursing. Students presently enrolled in a hospital school of nursing or in the nursing department of a university may be eligible for this plan and are urged to investigate.

No appointments will be necessary during the scheduled hours and the Mental Health department representatives

Our Choice For Supervisor

The proposed zoning ordinances are one of the big issues in the election of County Supervisor on April 2nd.

The County Board has shown definite signs of late of an intention of becoming as sprawling and expensive a system of Bureaucracy and patronage as the Democratic machine in Cook County.

The Board has spent approximately \$500,000.00 on an incompetent and bungling set of zoning ordinances. It shows no signs of any real intention of abandoning those ordinances.

The outcome of the up-coming election will undoubtedly decide the fate of those ordinances and of other power politics moves made in recent months by the board.

If the supervisors holding office while those ordinances were formed are returned to office, the board can relax in the knowledge that the public will "hold still" for the passage of the ordinances.

If some of the incumbents are defeated in these elections, the County Board is going to be warned that it can't disregard the wishes of the people.

Antioch Township spoke out loud and clear against the proposed ordinances at the public hearings. Practically every Supervisor has said "he would not vote for them as they are". Does this mean they will fight for the total revision of the ordinances, or, after a few minor changes put through a speedy passage?

We believe the election April 2nd is a vital one with the Zoning Ordinances only one of many issues at stake. We believe we need a man of candor who believes in letting the public know what is going on and will be willing to express his views.

We need a man free of party pressures and one who has no entangling alliances with any special interest group. A man who is free to make up his own mind on each issue.

We need a man who is alert to the creeping corrosion of corruption that is implicit in the extension of county board power over more and more details of our daily life.

We need a man who will fight for Antioch interests at the county level.

We believe that Marvin Heath meets these requirements and will do a capable and forceful job of representing the people of Antioch Township if he is elected as Supervisor.

Along The Way

with
ANNIE MAE

Jet planes, guided missiles, and nuclear physics all take a back seat in these beautiful, balmy days of early spring. Oh yes, eyes still turn skyward to the vast wonders of outer space, but everyone's attention is drawn to various geometrical shapes, gaily dancing on the end of long ropes. Skilled hands are busy, that patting, patting, patting these delicate flying missiles, and carefully tear into long strips the remnants from Mom's rag bag. (Every good flyer knows the importance of a tail.) Surely the wonder and delight of kite flying was no greater before our nuclear age than it is for the half-pint, future physicists of today!

THE LATEST REPORT: Kites are not the only things that fly in the spring. Politics on two local levels are flitting in and out of every gathering and doorway. There may not be any mud-slinging in the Heath-Murrie race, but the innuendoes are strong. Not only are those migratory birds back from the southlands, but so are the Jim Harveys and the Bill Corbys, (who also will move into their new home pronto) . . . Cornelius (Casey) Lufels apparently has talents other than decorating. He has several Chess Championships to his credit, and just added a new one last week in Waukegan. . . . Joe Sterbenz and his beautiful, red-headed wife Marilyn made a trip to Buffalo, where Joe bowled in the ABC's (we won't mention any scores, O. K. Joe?) And while there celebrated both St. Patrick Day and their anniversary. . . . The prominent parents of two boys on bikes who severely beat up a little first grader on the way home from school Monday, should have a look at that little fellow's face.

FORGET-YOU-NOT: This is the week-end for the Sr. Class Play, "Harvey," on the stage of A. T. H. S. If you think the Easter Bunny is fiction, I recommend you see Harvey!

THE LAST DROP: Gert and Ray Kasel are as busy as the returning birds, feathering the home they purchased from the Robt. Mortenson's on Spafford St. . . . They tell me Bob Wilton, Jr., is definitely the man to put in charge of the "pool" . . . Howard Sheppard and several other basketball fans, namely Pete Poulis-Pres Reckers, Doc Kopriwa and Bill Seeman journeyed to Champaign for the ISHS Basketball Tournament. We understand that while there they made a "Frat" house out of Betty Sheppard's apt. (Incidentally, Betty is Howard's mother, so as not to confuse anyone) . . . and it's a tiny new "her's" for the Dan Dingen-skes.

DID YOU HEAR: Came across an old autograph book the other day and wondered how many you can recall. Remember this: "When you are married and have twins, don't come to me for safety pins!" Did I stir your memory? If you can think of some originals, write to me, and we'll pass them on to the graduates of '63.

Courthouse Notebook

BY LOU BURKIN

Next Tuesday the voters in each of Lake County's 18 townships will go to the polls to elect road commissioners in all township supervisors in some and assistant supervisors in others.

The road or highway commissioners will be running on easily understood platforms, either the incumbent has done a good job of keeping the township roads in repair at a reasonable tax cost or he hasn't.

In a few areas the incumbent commissioner will not be seeking re-election and here personality and organizational ability will be the deciding factors with an occasional flash of insight by the voters who will base their vote on experience, ability, and integrity.

The election of the supervisor and assistant supervisor will be more difficult because there are a host of questions facing the voters.

For the party stalwarts who would vote for anyone if he is wearing the right party label and against anyone wearing the opposition label the choice has been made easy because there will be contests in some townships between Democrat and Republican slates.

Elsewhere the choices are not so clearcut and the voters will have to depend on campaign oratory, inflammatory letters, and some less than objective discussion of the issues.

Hotter than last weekend's weather is the debate raging in some areas over the dissolution or firing, depending on which side you listen to, of the advisory committee to the Forest Preserve Board of Commissioners.

The board has tentatively admitted that the advisory committee is advisable, but the late board was late, in their opinion in being dismissed.

The commissioners have a couple of strong arguments going for them. For example, it is the normal thing for an elected group being served by an advisory board to select the advisers, determine the term of service and to exercise some control over the activities.

Many of the commissioners undoubtedly felt that putting

of tax money for the use of the board.

In addition, the County Board has an income of about \$150,000 of sales tax yearly from rural sections of the county; \$1,500,000 of commissions on tax collections that used to go to township collectors; and earnings from county offices of \$1,650,000.

Each year since the abolishment of the office of town collector, the county board has had about \$500,000 of its approximately \$3,800,000 income left at the end of the year. This must be spent, according to law, or be deducted from the tax levy for the next year.

So the supervisors have voted to transfer these excess funds to the Building Fund. Mr. Murrie has voted in favor of this move, as have a majority of the supervisors. There is no legal control over the use of the Building Committee makes of these funds.

So, no matter how supervisors may point to our low real estate tax rate, and declare they are operating economically, they are collecting \$500,000 a year more than they need. And this money is coming out of the taxpayer's pocket, no matter how hard the county board tries to convince us it isn't.

Letters to the Editor

The Editor
The Antioch News
Antioch, Illinois
Dear Editor:

Thank you for your questions concerning my candidacy for Supervisor of Antioch Township.

I feel that these questions are both pertinent and penetrating and that the answers submitted below should provide a clear picture on these subjects to your readers.

I believe, as I'm sure you do, that an informed voter is an intelligent voter, and I welcome this opportunity to explain my position on these important matters.

I submit the following:

Your question: On the question of tax abatement—the school tax is no answer. The County still has a surplus. The question is what do you advocate doing with the surplus tax?

Answer: To properly answer this question, some background facts must be explained. First of all, the tax levy for Lake County is .047 which means that the owner of a real property with an assessed valuation of \$5000 would pay into the County Treasury a total of \$235 annually. The revenue thus derived together with some other income provided by certain of the County offices which operate on a fee basis and a portion of the State Sales Tax, is used to provide all services and functions carried on by your County Government. These include supervision of road maintenance and improvement, the county sheriff's office and police, our courts, and all other services provided by the County.

During the past few years through the strictest economy, the Board of Supervisors has not only been able to "live within its income" but to provide a surplus.

We believe it readily apparent to all voters and taxpayers of the County that the rapid growth of Lake County makes a new complex for housing county offices a must within the very near future. For this reason, these surplus monies have been transferred by the Board of Supervisors to a building fund to help provide proper housing for our courts and county offices. The passage of the new Judicial Article and the additional judges and courtrooms needed to implement the Article makes the building of a new courthouse almost in the category of an emergency.

We believe that ordinary sound business practice should be employed by all tax spending bodies, and it is only normal procedure for any business to attempt to build a surplus fund looking ahead to the time when the new facilities will be built. This accomplishes two things: first—it may obviate the need for a Bond Issue or will allow for a lower Bond Issue at the time of building, plus a great saving in interest costs. A second reason for building up a reserve of tax dollars at the county level, which we consider sound management, can be explained by the fact that the percentage of delinquent taxes varies from year to year.

This means, in effect, that each taxing body receives only that portion of their particular tax levy on which taxes are actually paid. As an example, if a school board should levy a total amount of \$100,000 for a given year and tax payments were 85%, this school board would then receive only \$85,000.

Tax payments in Lake County during the past few years have been at an all-time high—more than 85%. It is within the memory of many Lake County taxpayers when tax payments averaged less than 80%. It is apparent that if a decline in the general economy should occur with a resultant drop in the tax collection, that the surplus could very easily be wiped out in one year.

For these reasons, the Lake County Board of Supervisors has deemed it advisable to maintain the present .047 tax rate. I was, and am in agreement with this policy.

Your Questions: Has Antioch Township been able to levy the lowest rate in Lake County (.038) by improper care of the needy? Answer: "No, Antioch's

MY OLE GRANDPAPPY USED TO SAY!

By the Rev. Fr. Edmond E. Hood

When young men inquired of my Grandpappy as to whether there was any danger involved in moderate drinking or smoking, he always replied: "When you sup with the Devil, make sure you use a long handled spoon!"

Why is it that it tires some men more to do a little errand for a weary wife than it does to walk around a billiard table for four hours?

The quickest way for a man to find out what others think of him is to run for public office.

Many a man will open the front door for discontent who tries his best to keep burglars out of his house.

low tax rate has not been made possible by improper care of the needy. Ill-informed or irresponsible comment to the contrary, we challenge any resident of Antioch Township to cite one example where the responsibility of your Poormaster has not been fully carried out.

Here again the problem is quite complex. The Town Poormaster is regulated in the performance of his duties by Illinois Statute—not every applicant for relief is an eligible person—this is relief for the needy on a local basis—and it would be both unwise and unlawful for the Poormaster to expend your tax dollars for relief to ineligible persons.

Every application made to this office during our tenure in office has been thoroughly investigated, and we can freely state that no person qualified for aid has ever been unclothed, unfed, unhoused, or without proper medical care.

In many cases the applicant for Township aid is also eligible for State aid, as in the case of widows, dependent children, crippled and blind persons. In these cases it has been our policy to provide aid until such time as these cases can be transferred to State aid. Many times the money expended in these cases is recovered from

the State.
Believing that relief at the township level is a local problem of a "temporary" or "emergency" nature and not a "way of life," we have endeavored to find gainful employment for those needy persons able to work and in a number of cases, the tax money expended is also recovered after the emergency is over and the recipient is again in sound financial condition.

It has been charged that very little money has been used for relief purposes during my tenure in office, and I believe that figures speak for themselves. During the past four years, a total of \$60,102.45 has been dispersed to persons needing aid. Of this amount, through a diligent follow-through, we have been able to recover a total of \$29,904.11—these are the facts.

These are the reasons that only one small tax levy for this purpose has been necessary during the past four years.

Thanking you again for your courtesy and this opportunity to contact the voters of Antioch Township through the columns of your fine publication, I am,

Sincerely yours,
Lloyd "Red" Murrie

Your Governor Reports

by OTTO KERNER

Each April 15, beginning this year, will be known officially as "Good Roads Day" in Illinois under provisions of a bill signed into law by me earlier this month on the heels of its passage by the 73rd General Assembly.

Enactment of the legislation came 50 years after Illinois inaugurated its program of state aid for counties building paved roads. Such aid was provided in what was known as the Tice Bill, approved by the 48th General Assembly in 1913.

The next year, Gov. Edward F. Dunne led a motorcade from Chicago to

Mooseheart near the site of the first road to be constructed under the new law for ceremonies including the turning of the first shovel of dirt.

The date was April 15, 1914. The road was what is now Illinois 31. During 1914, a total of 88 counties began work on paved roads with the state aid granted by virtue of the Tice Bill.

Gov. Frank O. Lowden chose April 15 four years later to begin a campaign for a \$80 million bond issue for paved highways. The issue was approved by the voters (continued on page 6)

Supervisor Finds Way To Slash Poor Relief

If Illinois, and especially Chicago, wants to cut poor relief bills it might use the technique of Supervisor Lloyd (Red) Murrie, of Antioch, poor-master for Antioch Township.

As an example Red Murrie laid out \$15,000 for poor relief in 1961 but turned around and collected \$10,000 of it back, making the final poor relief tax load a sensible \$5,000.

WHEN ANYONE goes on relief the first thing Red Murrie does is to ascertain if there are any solvent relatives who might reimburse the township. Often there are.

Then there are hospital cases in which Murrie, through township funds pays the bills. After the patients get back on their feet Murrie starts out and collects the hospital bill.

SOMETIMES the poor relievers find jobs and start earning again. When they do Murrie makes certain that they start repaying the poor fund in installments on the money they needed when they were in a financial plight.

The odd thing is that the recipients of relief seem to like the plan of repaying. It gives them a feeling of being responsible citizens and not a drag on their neighbors.

Murrie also has established and maintained the lowest tax rate of any supervisor in the county.

THE ANTIOCH TOWNSHIP taxpayers like it, too. This was shown Oct. 10 when they held a Red Murrie Day at the Vernon Hills Country Club.

IN APPRECIATION he was given a watch and a plaque for meritorious public service.

wards and Shirley Reichenbach, whose roles are "debts," complete the cast. Stage manager for the production is Kathy Lusik, assisted by Julie Nissen. The artistry on the set is the result of the efforts of Miss Cindy Brenna.

Tickets may be purchased at the door. Season ticket holders are reminded by Mr. Joseph Rush, Department Chairman, that this is the fifth production of the Fine Arts Department for the current season.

icking vote for Hayes in the commission was a Congressman from Indiana—an attorney who won election to Congress by one vote. As the story goes, the Congressman always credited his victory to a client who was seriously ill at the time of the election but insisted that he be taken to the polls to vote for the man of his choice.

One vote spared Pres. Andrew Johnson from impeachment. That vote, in the minds of many historians, saved constitutional government in our country.

There are countless stories to relate about the power of a vote. In one book, I read that in 1924, a Missouri Congressman won election by a handful of votes while 63,000 qualified electors in his district failed to go to the polls. The same thing happened in a Pennsylvania Congressional district in that election. In that district, 40,000 voters stayed home on election day.

Your right to vote has been won by generations of Americans who believed in liberty and who were willing to lay down their lives that we might enjoy the fruits of freedom. To them, we owe our eternal gratitude.

On election day, don't let America down. Vote for the candidates and issues of your choice.

Your vote is a foundation of our Democracy.

He is a member of the American Legion; VFW and 40 & 8; Elks and Moose; Mystic Workers; Wheaton High School "W" Club; Illinois Farm Bureau; Fourth Degree K. C. and was president of the first Little League (baseball) organized in DuPage County. He was responsible for much of the modern legislation that has benefited county and state offices, making it possible to give better government to the people of Illinois and is an outstanding model of Republicanism that could well be emulated by Republicans everywhere, Horton said.

Majority Leader W. J. (Bill) Murphy will take time off from his duties in Springfield to attend this shindig. Township Supervisor Lloyd Murrie and other Republican leaders from the area will be there, too.

To be installed are Herbert Horton, chairman; Richard Strihlen, 1st vice chairman; Herman Behm, 2nd vice chairman; Elmer Eberman, treasurer; Harry Welland, secretary and Jim Olson, sergeant-at-arms.

The affair is being held at Smart's Country House and begins at 7 p.m. with dinner. The public is invited to attend, said Horton.

his withdrawal and his support of Heath will be headed by those who would have voted for him.

There is no doubt that the withdrawal of Mazzuca will make for a much closer race on election day, and a much clearer resolving of the issue. With the Republican party engaged in all-out backing of the incumbent, Red Murrie, and the opposition vote split among three candidates, Red had a decided advantage.

With the withdrawal of Mazzuca, the race is virtual-

tative will meet with interested individuals or groups on a first come, first served basis. Parents of interested students are encouraged to attend the informational conferences.

The nursing scholarship grants are worth from \$2,000 up, depending on school costs, over a period of 30 months and are open to high school graduates between the ages of 17 and 35.

Each student accepted must sign an agreement with the department of Mental Health that they will accept employment as a staff nurse at full salary upon the completion of their nursing course, in one of the state's Mental Health service hospitals or schools on the basis of one year of employment for each year in school.

All persons interested in details or application blanks for these scholarship grants who are unable to attend the local conferences are urged to contact their county superintendent of schools, the chief nurse at any state hospital or school, or write to Employment - Education Program, Illinois Department of Mental Health, State Office Building, Springfield, Illinois.

It is expected that next Tuesday will see the heaviest vote ever cast in a township election, not only in Antioch Township but in several other sections of the county where intense campaigns are being waged.

Janice Hattendorf and Vernon Burdick

Janice Hattendorf and Vernon Burdick Wedding at Antioch

Miss Janice Hattendorf, daughter of Mr. and Mrs. William Hattendorf, Antioch, became the bride of Vernon Burdick, son of Mr. and Mrs. Roy Burdick, Antioch, on February 23 at 7 p.m. in a double-ring, candlelight ceremony at the Antioch Methodist Church.

A traditional floor-length wedding gown was worn by the former Miss Hattendorf as her father gave her in marriage before Rev. Donald Cobb. The gown featured a lace bodice with scalloped neckline and iridescent sequins, bouffant skirt of lace and net panels and chapel train. A tiara of aurora borealis crystals and sequins held the waist length veil and she carried a cascade bouquet of white roses and stephanotis.

Miss Mary Wertz was maid of honor and Lauris Burdick, brother of the groom, was best man. Marie Fenger was

bridesmaid, and the ushers were James Glenn, Thomas Haley and Donald Cardiff.

The bride's attendants wore aqua brocade sheath dresses with nylon net overskirts and carried pink roses. Pamela, niece of the groom, was flower girl, dressed in white, and Lane Burdick, nephew, was ring bearer.

Mrs. Mabel Dow was organist and Mr. Kenneth Smouse, soloist, sang "Because" and "The Lord's Prayer."

Mrs. Hattendorf, mother of the bride, was attired in blue brocade. Mrs. Burdick, chose a blue crepe gown.

A reception and dinner for 150 guests followed at Paty's Lounge. After a wedding trip to Florida, the newlyweds are at home at Channel Lake. Both are graduates of Antioch High School. Mr. Burdick is an employee of Illinois Bell Telephone Co.

WAUKESHA, Wis.—Five Carroll College students and assistant professor of speech Harold Larson took part in the 50th annual convention and debate tournament of Pi Kappa Delta, national honorary speech fraternity Tuesday through Saturday (March 19-23) at Southern Illinois University, Carbondale, Ill.

Among the contestants from Carroll College was Miss Carole Jo Ness, 107 Hawthorne Drive, Antioch, who competed in discussion and also in extemporaneous speaking.

About 160 colleges and universities from all parts of the United States had entries in the tournament.

KAREN LIGHTSEY HONORED

WAUKESHA, Wis.—Twelve top members of the sophomore class at Carroll college will be recognized at the annual American Association of University Professors scholarship banquet at 6:30 p.m. March 31 at Merrill Hills Country Club.

One of the students to be honored is Karen Lightsey, daughter of Mr. and Mrs. Daniel H. Lightsey, 122 First Street, Antioch.

4-H Leaders Meeting

The regular April 4-H leaders meeting is being held Monday evening, April 1, at 8 p.m. at Central High School, Paddock Lake.

A proposed Constitutional change to change the election of officers of the 4-H Leaders' Council from November to August, will be voted on during the business meeting.

The program for the evening includes career slides and discussion.

Farewell to Soders

Mr. and Mrs. Donald Soder of Oakwood Knolls were given a surprise party recently, at the home of Arnold and Betty Schuelmeister.

A promotion for Mr. Soder, an employee of Frank G. Hough Co., Libertyville, includes a transfer to Norfolk, Virginia, so Faye and Don's many friends and neighbors, while expressing regret to see them move so far away, gathered to wish them the best of luck and presented them with kitchen appliances and glassware for their new home.

The Soders have resided in Antioch since their marriage here in 1956 and have three daughters, Dawn, Diane and Doreen.

LYONS-RYAN SALES MEN RECEIVE AWARDS

Three salesmen with Lyons & Ryan Ford Sales, Antioch Ford dealership, were presented Ford Motor Company's 300-500 Club Award at a banquet held at the Edgewater Beach Hotel, Chicago, on Saturday, March 23.

Wayne E. Saybolt, Chicago district sales manager, said 300-500 Club membership awards are presented for excellent retail performance.

Saybolt added that the average 300-500 Club member sold nearly \$400,000 worth of automotive merchandise in qualifying for national honors.

The men are: Anthony Scully, Karl Donnick and Mac Ryan.

We are fortunate to be citizens of a country where we can say what we think without thinking.

ANTIOCH P.T.A. PRESENTS CANDIDATES

The Antioch Grade School P.T.A. met March 18 in the school auditorium with approximately 75 in attendance. During the business meeting Mrs. Preston J. Reckers, Jr., president, appointed the following nominating committee for the 1963-64 officers: Mesdames Jerry Reckow, Robert Jensen, Arthur R. Meierdick, Jr., and Richard Radke. It was also voted to hold the next regular meeting on April 22 instead of April 15.

Mrs. Reckers next introduced Ellis Dotsen who was the only new candidate for the school board present, in addition to Leslie Sorenson, Elroy Anderson and Robert Sonnen who are seeking reelection.

Leslie Sorenson, president of the school board, introduced the members of the board, with the exception of Richard Eckert who was unable to be present. Each board member presented a brief, informative talk on some phase of the duties of the school board.

Room count was won by Paul Dierking's fifth grade, with second place honors going to Mrs. Rosalie Pechulis' second grade.

Hostesses for the evening were second grade room mothers Mesdames R. Burdette, L. Fischer, E. Serres and R. Krieger.

The W.S.C.S. of the Methodist Church will meet at Wesley Hall at 1 p.m. on Wednesday, April 3.

Devotions will be given by Mrs. L. V. Sittler. The Rev. Donald Cobb will speak on Communism.

Hostesses for the meeting will be the Ruth Circle. Co-chairmen are Mrs. Elroy Anderson and Mrs. Emil Kapschke.

JEHOVAH'S WITNESS ASSEMBLY

1,200 persons attended the final session of the three-day "Right Kind of Ministers" circuit assembly of Jehovah's Witnesses Sunday, March 24, in the Warren Township High School Gym in Gurnee. The convention drew delegates from 15 congregations in Illinois and Wisconsin. Approximately 65 attended from the Antioch congregation.

Peak attendance was reached when many visitors from the Gurnee-Waukegan area attended the keynote address by Angelo A. Catanzaro, district minister, on the subject, "Who Will Win the Struggle for World Supremacy?"

During the Saturday evening session, March 23, the report on the work of Jehovah's Witnesses was given revealing 23,223 new ministers world-wide, with 600 new congregations formed. Catanzaro explained that this means nearly two new congregations formed every day of the year.

A baptismal service was conducted for newly dedicated witnesses. Twenty-two were baptized Saturday in the Waukegan Township High School swimming pool in Waukegan. Muriel Sovsky of 324 N. Hollywood was baptized.

DRIVING TOO CLOSE AHEAD

Many drivers involved in rear-end collisions are quick to blame the other fellow for driving too close ahead. They may be partially right, according to the Institute for Safer Living of the American Mutual Liability Insurance Company. Many tail-gate accidents occur because the lead car's brake stop lights were not working. In such cases the driver behind may not receive sufficient warning of a sudden stop, even though he thinks he is following at a safe margin of distance. However, there is rarely a legitimate excuse for hitting the car in front of you.

Your Governor Reports

(Continued from Page 2) ers and Gov. Lowden heralded the action as one which would get Illinois "out of the mud."

In 1963, Illinois stands among the leaders in the list of states in the building of highways. The 1963 state highway improvement program in Illinois totals \$297,288,000.

The legislation that has created "Good Roads Day" asks that Apr. 15 "be observed throughout the state as a day for holding appropriate schools and elsewhere to show the value of our public highways toward the economy of our state and the contributions they represent to the prosperity, comfort and well-being of the citizens of Illinois."

Now among the leaders in highway construction, Illinois back in 1914 when Gov. Dunne turned the first spadeful of dirt for the first state aid route, ranked 23rd nationally among the states in the building of hard roads.

Next Tuesday many citizens in Illinois will go to the polls to ballot for city, village and township officials. A quick look at newspapers or history books will put an end to any thought that "one vote doesn't count."

At the moment that I am writing this, a man in Minnesota is moving closer to the Office of Governor on the strength of 91 votes. These few votes in a state of some 3,000,000 people represent the margin of victory.

Two of our most famous Presidents, Thomas Jefferson and John Quincy Adams, each was elected to the highest office in the land by a single vote in the Electoral College.

Pres. Rutherford B. Hays was elected by a single vote. When his election was contested, the matter was referred to an electoral commission. Again he was elected by a single vote.

The man who cast the deciding vote in the election of One of the worst tragedies that can befall a man is to have voters and still not be a success.

The only thing higher than our standard of living is the cost of it.

COURTESY OF THE ROAD

If charity begins at home, then certainly it should continue on the highway. The Institute for Safer Living says that motorists for the most part drive to the best of their ability. Some drivers have less ability than others, but they cannot be denied use of the highways because of this lack. If you're a good driver, be charitable and considerate toward others who may lack your skill. Probably they

Local Man Winning Pitcher With Giants

Jack Pregoner, son of Mr. and Mrs. Lewis Pregoner of Grass Lake, Antioch, was the winning pitcher in the exhibition game between the San Francisco Giants and the Cubs last Sunday.

Jack, a former graduate of Antioch Township High School, was put in as a relief pitcher, by the Giants, and received credit for the 11-6 win. This is his first year with the Giants. He has previously been with their farm system.

Jack is married to the former Rhoda Whitlock of Clovis, California. The couple have a daughter, Denise Louise, born February 13.

It was kind of like Old Home week in Sunday's game. Chuck Hiller, a former Johnsbury resident, hit the winning home run for the Giants.

THE 19th HOLE

BY GEORGE DIAMOND

Hi neighbors!
I'd like to tell you about a golfer's paradise that is virtually at your doorstep.

Next to eating steaks—naturally at the public George Diamond Charcoal Broiled Steak House—I like playing golf best of all. That's why I spared no expense to build a private country club that would be the answer to a golfer's dream. Your George Diamond Charcoal Broiled Steak House is open to the public all year for steaks, as well as the adjacent George Diamond private Country Club for golf.

The George Diamond Country Club was rebuilt with tender loving care from a golf course that has existed for 50 years just off Route 59 and Grass Lake Road in Antioch. I've borrowed many good features from great golf courses all over the country and have originated others to make this a country club that has won accolades from golf pros.

I've found that most folks don't like to wait in line to play golf. I know I don't. That is why I'm limiting membership in the George Diamond Country Club to only 150. Once that goal is reached I'll close the membership. But I don't want just anyone to join. I want members who are good sportsmen, golfers who are courteous and abide by the politeness rule... in other words just plain "nice people."

You'll be pleasantly surprised by the plush fairways and the velvet championship greens. Each green is a \$10,000 investment. It's a sporty course with challenging sand traps, water holes and dog legs and breath-taking scenic beauty. The course has an electronic controlled watering system and is well-drained so that you can play immediately after a rainstorm.

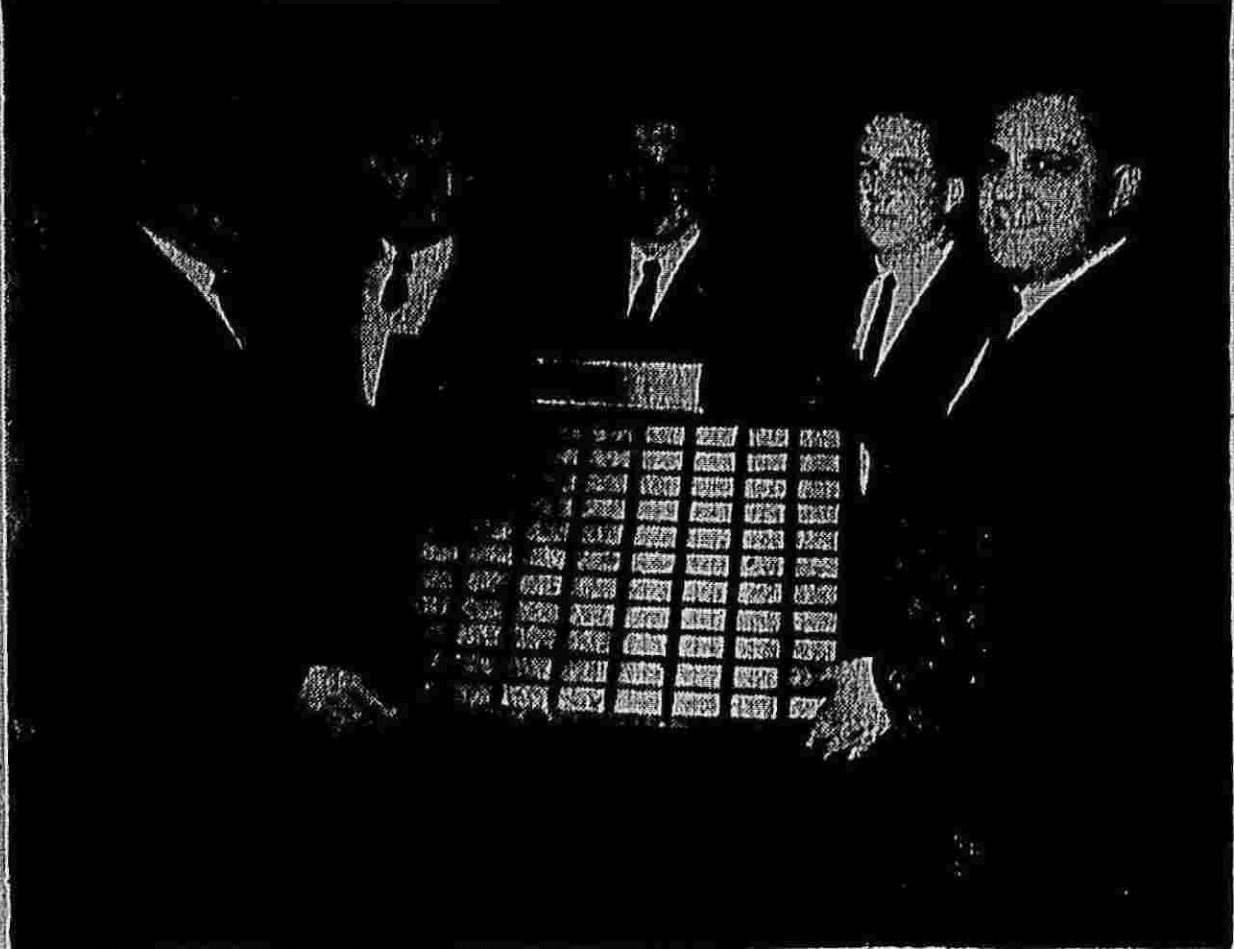

Our locker rooms are cheerful and comfortable. Imagine the luxury of a sauna bath in our steam room after a round of golf.

Among the facilities available to members and their families are a swimming pool, tennis courts, horse back riding trails, and 100 wooded acres for those who wish to hunt pheasant, rabbits or other wild game.

Country club members can dine in a private dining room or in the adjacent public George Diamond Charcoal Broiled Steak House. In either location, the food is of the same high quality and dinners start at \$1.65.

Now you likely are saying, "all this sounds great, but can I afford it?" You can. A \$200 initiation fee is payable only the first year. Annual dues are \$300 a year, plus a nominal federal tax, for membership with full privileges.

Seeing is believing. Pay us a visit soon. (Watch for this column next week when Mr. Diamond, president of the private George Diamond Country Club adjacent to the public George Diamond Charcoal Broiled Steak House tells you more about this showplace of the Midwest.)

LEONARD ROBLIN, left, is shown presenting the outstanding athletic trophy to Antioch High School Athletes Monday night of the annual Lions Club sponsored banquet. Recipients are left to right, Ken Walker, cross country, Bob Kubicki, basketball, and Rich Fitch, football. Far right is Alan Agase, line coach at Northwestern University and guest speaker for the affair. (Not pictured: John Burke, wrestling)

BOATING WITH BOWMAN

DON'T MOOR YOUR BOAT TO MONOTONY

By Hank Bowman
(Courtesy Sequoit Harbor)

It's easy for a boatman to get mired down in ruts of routine and turn his recreational sport into a chore or a bore.

My family and I enjoy power boat racing. Several summers ago we became so involved in campaigning our racing equipment that the race schedule began to lose much of its excitement. We had allowed our boating activity to slip out of the realm of fun. Instead of racing's competitive aspects refreshing us we had tired of it because we'd allowed its keen edge to be dulled by repetition.

A one-side approach to a sport with so many interesting facets had been foolish. We realized this when we dropped racing for a few week-ends, took a leisurely houseboat trip and were surprised how much we all enjoyed ourselves.

We still like the competition of organized speed events, but often we try a change of pace, a switch to

a 2 game win over Rudolph Turkey Farm. Wayne and Ed had 576-557 respectively, while George Rudolph rolled 585.

Roepenack Masonry at top of the standings, ran into a baymaker, dropping two games to Deauville-Vue, winning their own game by only 9 pins. R. Bavel with 578 was high.

Led by Dave Hay with 614 and Larry Dewar with 594, the Dalgaard IGA five gave Dortmund Inn a two game licking. Lee Gallagher shot 597 for Dortmund. Will Filiatreault had one of his better nights with a 599 slam and teammate R. Goldberg shot 573, sparking Gibbs & Jensen to a double win over Slide Inn. Phil Burgdorf rolled a big 599 for the Slide Inn.

We find veteran Bob Eck blasting a big 623-256 but his team, Knapp Shoes dropped the odd game to Haydon Homes (W. Streckfuss 564).

Leading the league are: Roepenack Masonry 50-34; Dalgaard's IGA 48-36; Charlie's Channel Inn 47-37; El-Mar's 46-39; Rudolph Turkey Farm 45-39; Haydon Homes 45-39.

fishing, cruising, water skiing and other activities that are part of the overall boating scene.

Every boatman is conscious that pleasure craft offers a broad variety of on-the-water activity, but many of us fail to vary our approach to the sport. Recently I discussed this with a number of boating friends and found that they, too, had fallen into the trap of repeating the same pattern. One wife admitted that boating to her had come to mean preparing snacks, complete meals and cleaning up after a seemingly endless complement of weekend guests.

"And most of the time we stay tied up to a dock waiting for people to come aboard or leave," she lamented.

Another boat owner said his children had to be pressured to take part in family boating activity. He agreed there was a monotony to his family's boating, that week they engaged in group cruises with the same people. Until our bull session, however, he'd never realized what had caused his children's growing disinterest.

It might be well for you to take stock and decide whether you're getting the pleasure and the relaxation from boating you had expected when you bought your equipment.

Maintenance can be fun. Some mariners get more pleasure from fitting out and keeping their pampered water craft in perfect condition than they gain from actual use of their boats. But if you don't happen to fall into this category, why beat yourself out shining bright work and keeping paint glistening just so your fellow boatmen won't look on you as a sea-going slob? Let a little rust gather, it's your boat, and more important it's your leisure time being used to keep it gleaming.

Only you can decide how to spend your time afloat. But remember boating's recreational possibilities are almost limitless so don't drag anchor or moor to monotony if a varied boating pattern will offer you more relaxation and pleasure.

Exhausted husband to wife: "Boy, what a day! The electronic brain broke down, and we all had to think!"

The real curse of drink is having to pay for it.

READ THE BUSINESS FORECASTS AND DRAW YOUR OWN CONCLUSIONS!

I did quite a bit of skeet shooting (no, girls, they're not good to eat) at Ft. Mac in San Pedro, and some of the guys who load their own shells are using what they call "pipsqueek" loads. They load a twelve gauge hull with a twenty gauge load of powder and a twelve gauge load of shot. This combination patterns very well and there is absolutely no flinch-inducing recoil. I watched one guy knock off fifty straight with these loads. Me? I shot two rounds, breaking eighteen each round. For me that's match shooting. Here's how they do it: 17 grains No. 101 Alean Powder; 1 Air Wedge set with 40 pounds of pressure; 1—.070 nitro wad; 1—half inch filler wad; 7/8 ounce of shot. Happy shooting!!

Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, has warned that all who come in contact with wildlife should remember that a variety of diseases are transmissible to man from wild creatures. Persons who handle sick animals, are bitten by them, or who handle the carcass may be infected.

In dressing wild game, especially rabbits, it is advisable to wear rubber or plastic gloves or run the risk of being infected with tularemia, a disease which is transmissible to man by contact.

Lake Villa News

By Mrs. Fred Bartlett
LAKE VILLA—The next regular meeting of the Lake Villa VFW Auxiliary will be held Monday, April 1, at 8 p.m. at the Lake Villa VFW hall. President Frances Barnstable will preside.

Mrs. Stanley Hollis of Waukegan was a visitor Thursday at the home of Mr. and Mrs. Fred Bartlett, Jr.

The next two meetings of the Senior MYE will be from 7 p.m. to 7:30 p.m. after which the members will attend the Lenten worship services.

The Official Board of the Lake Villa Methodist church is sponsoring an Easter breakfast. The Senior MYE is to decorate the tables for that breakfast on Sunday, April 14, at the church. Sunrise services will be at 6 a.m. on Easter Sunday, followed by breakfast.

Mrs. Ann Nelson is receiving congratulations on the arrival of a granddaughter, born recently to Mr. and Mrs. Lloyd Repke of Ringwood, Illinois.

The Lake Villa VFW Auxiliary held a dance at Downey Thursday evening. The following attended: Helen Keiser, Minnie Hart, Kay Kasting, Arlyn Popp, Judy Simonson, Arlene Slaves and VFW hospital chairman Dorothy Barnstable. Sandwiches and coffee were served at the close of the dance.

Mrs. William Fish spent a few days last week at the home of Mr. and Mrs. Chester Hammen and family of Waukegan.

Akela, the great Indian Chief will be present at the City Scout meeting at the Lake Villa Methodist church on Wednesday, March 27, to welcome new boys into the pack. A Robert ceremony will be held during which the candidates will sit around the council fire with Akela. If the council judges them fit to join the pack they will be permitted to place a log of friendship on the council fire, after which they will receive their Robert pins and officially become members of the pack.

Mrs. Virgil Smith, of the Lake Villa Methodist church, is asking that rummage be saved for a rummage to be held in the future. It will be appreciated if the rummage could be kept in your home, but if you don't have room to store it, call Mrs. John Miller or Mrs. Virgil Smith, EL 6-2661.

Mr. and Mrs. Fred Bartlett, Sr., received word Friday that Mrs. Arthur (Elizabeth) Bartlett passed away at her home in Miami, Florida. Mr. and Mrs. Arthur Bartlett were residents of Lake Villa, residing on the E. J. Lehm Estate before they moved to Florida. Mr. Bartlett was employed there.

Mrs. Fred Bartlett, Sr., has again been named Doughnut Day chairman of Lake Villa. Her co-chairman will be Mrs. Jacob Fish of Villa Ave. Anyone wishing to donate a couple of hours of their time can contact either the chairman or co-chairman in the near future.

Once again the Masters and Mates of the Lake Villa Methodist church will bring forth the thespian efforts of the group with their second play to be given on April 19, and 20. The three act comedy is called "Me and My Shadow" and is one hilarious situation after another, with complications galore for poor Roy Harrington, played by Ronald Lyons.

Illini State Students Selected
During the coming summer Dianne Deering, James Mack and Kenneth Lipaki, Grant High School students, will attend Illini Girls State and Boys State.

These citizenship training programs teach by "Doing." Make-believe states are organized and operated much on the order of the Illinois state government. Political parties are formed, conventions are held, and elections are held. The elected officials perform the duties expected of their office.

The Girls State session will be held at MacMurray College in Jacksonville, and the Boys State at the state fairgrounds in Springfield.

Only third-year students are eligible to attend these programs. They are selected by their classmates and faculty on the basis of character, scholarship, and honesty, leadership and cooperativeness.

The alternates selected were Vivian Ward and George Krec.

the friend, Dr. Bruce Douglas is played by Robert Henderson. Arlene Harrington (Peggy Wold) is away a day or two and poor little "Shadow" (Marcy Rollin) comes on the scene to really but innocently complicate Roy's life. Roy's mother-in-law Mrs. King (Eloise Brown) really didn't like Roy in the first place and doesn't help him at all, and then the nosy neighbor, Georgia Butler (Dorothy Smith) shows up at the most inopportune times. The Harrington maid Susan Fischer (Mary Jane Rollin) in her own way, enjoys Mr. Harrington's misery.

"Sabu" (Ed Thamerus) shows up to make matters worse and the sheriff (Henry Reidel) does his bit—and you would say it will "all come out in the wash."

The play is directed by Mrs. John Chmelir, and the promoter is Mrs. Joseph Botts. It will be given in the Lake Villa Grade School gym, at 8 p.m. Dates, April 19 and 20. Tickets are now available, from the members.

RE-ELECT

LLOYD E.

"RED" MURRIE Township Supervisor Antioch Township

TO THE VOTERS OF ANTIOCH-TOWNSHIP:

Four years ago the voters of Antioch Township returned me to office as Township Supervisor. At that time I promised to carry out all of the duties of the office to the best of my ability. This has been done. I submit the following facts concerning my conduct of the office which I believe warrant your continued support.

- 1. UNDER MY ADMINISTRATION** the strictest economy has been practiced with the result that with the help of the other officials of the Township, it has been possible to further reduce Township taxes, already the lowest in Lake County.
- 2. THESE ECONOMIES IN TOWNSHIP** affairs have not affected the efficiency of the various departments. At the present time County affairs are in good order both financially and physically. Our road department is well equipped and suitable housing for County equipment has been provided. The same state of affairs prevails throughout your Township Government.
- 3. WHILE SERVING IN MY** capacity as Poormaster, each case has been thoroughly investigated and no eligible applicant is unclothed, unfed, unhoused, or without proper medical care. A levy for the poor-fund has been made unnecessary in three of the past four years by strict attention to these matters, and, also, by recovery of almost \$30,000 in relief funds from various state agencies and recipients.
- 4. I HAVE ASSISTED OUR** residents in obtaining good zoning and aided them in rejecting bad zoning. I have been solidly opposed to the newly proposed revision of the Zoning Act on the grounds that the entire concept is wrong. I will continue to fight these sweeping revisions to our Zoning Act both at home and as a Member of the County Board, if I am elected.
- 5. I HAVE A 100% record** of attendance at County Board and Committee Meetings. I have voted on every measure before the Board which affects Antioch Township and on all major issues concerning County affairs.
- 6. I HAVE BEEN,** and will be available to any citizen of Antioch. Being a businessman in Antioch, I am on the job every day and ready to take up Township affairs with any interested persons. All matters brought to my attention as Supervisor have, and will, receive courteous and understanding attention.
- 7. I HAVE CONDUCTED ALL** affairs of Town Government in a business-like manner. All Town Records are in perfect order, up-to-date, and are available for inspection at any time.

P. T. A. News

Mrs. Frank (Roberta) Grenus was elected to serve a second term as president of the Lake Villa P. T. A. at the March 18 meeting. Also re-elected for a second term were Mrs. Verne Mortensen, vice-president; Mrs. Elmer Kufalk, secretary; and Mrs. Melvin Colbert, treasurer. Mrs. Elmer Swanson was elected as corresponding secretary. Mrs. Donald Oilschlager, head of the nominating committee, presented the slate of officers and since there were no nominations from the floor, elections were conducted at the same time, instead of being held at the April meeting. Installation will be held at the May meeting.

An interesting and informative program, "What teachers expect of parents, and what parents expect of teachers," was the subject for discussion.

Color guard was Mrs. Albert Sorenson's Intermediate Girl Scout Troop 216 from Cedar Lake Park.

The annual spargashord dinner sponsored by the Lake Villa and Hooper School PTA will be held at the Lake Villa School on Sunday, April 21, from 1 to 5 p.m. Mrs. Frank Grenus is chairman. Co-chairmen are Mrs. James Crochton and Mrs. Irwin Jordahl.

Birthday Parties

Helping Linda Mylonski of 275 Beck Road celebrated her 13th birthday on St. Patrick's Day, were Amy Mindak, Pamela Ponero, Susan LaChance and Becky Rihimaki. Also Robert and Ricky Mylonski, brothers of Linda.

Mike and Denise Golden, Rocky, Theresa and Maggie Olsen, their mothers, and Mrs. Lorraine Grant helped Frankie Anderson of Hazelwood Drive, celebrate his fifth birthday March 20. The usual party goodies were served.

Linda Lance celebrated her 11th birthday last Saturday by entertaining a group of girl friends. After playing a number of games, they were treated to skating at the Waukegan Roller Rink. Refreshments were served.

Sunday afternoon the Lances visited the Chicago Historical Society on Clark and North Avenue.

Birthday greetings to Mrs. Ruby Blevins (Marie Anderson's mother). March 26 was her birthday. Diane Stanley was ten years old on March 27. Bobbie Swanson was on March 22 and Mrs. Edna Johnson will be celebrating on April 3.

Anniversaries

Al and Minnie Hart, 2312 E. Briar Lane will be married twenty years on April 3. Mrs. Hart just finished 39 years working for the telephone company.

Bill and Helen Guzski will also be celebrating 15 years of wedded bliss on April 3.

Fun Fair Report

The Fun Fair last Saturday, sponsored by the Lindenhurst Women's Club, was a huge success.

Mrs. Dominick DiSilvestro, chairman, thanks the Ivy Cancer League and the Franken Drugs for their donations.

Luther League

The Luther League at Mark's Lutheran Church in Lindenhurst was host to the Atonement Luther League of Chicago Sunday. Forty-eight young people from both churches attended.

The program after supper was given by the Atonement Leaguers.

Sick Bay

Three teachers from B. J. Hooper School have been admitted to Victory Memorial Hospital in the last few weeks. Mrs. True, fourth grade teacher, has her neck in traction, and is doing well.

Mrs. Hand, first grade teacher, was a patient for six days, but is now recuperating at home.

Mrs. Marie Davis, kindergarten teacher, has been ill, and is having tests taken to help find out what is wrong.

If the young lady in the admitting office at Victory Memorial looks familiar to you, she should. She is Mrs. Lois Peterson of 2413 S. E. Thornwood Drive.

Palermo, who are running as Independents in the April election.

Mr. Flint spoke on the qualifications of both candidates, and strongly stressed the point that the Citizens' Party is not backing any other candidates except Mrs. Stanley and Mr. Palermo. He said this was the first year that the Citizens' Party did not have a slate of officers running on the Citizens' ticket.

Mrs. Stanley spoke of the finances of the Village. She stated that the Village does not owe anyone a cent, and the only bills due are the current monthly bills such as light, phone, etc. She said that the Village has enough in the bank to carry the Village through until the next addition of revenue comes through in May. She said that the Village gets back \$21 from taxes collected on a home that is valued at \$7,000, and that 4% of that is taken out for collecting the tax money, and that \$75 out of every \$100 is used for schools.

Mr. Palermo spoke of their platform. He said that trees could be given to home owners at no cost, only they would have to plant them themselves.

Promoted Fred Beller was promoted to Lieutenant, and John Selzer, Sergeant, at last week's meeting of the Lindenhurst Police Department.

Anniversary

Congratulations to Alex and May Bartling of 2208 E. Sand Lake Road on their 30th wedding anniversary on March 26. Alex is a former trustee, and is the fellow who was keeping the weeds down last year.

Holy Name Society

The St. Patrick's Day dance sponsored by the Holy Name Society of Prince of Peace church was a success, thanks to those attending. Don Oelerich, Al Smith, Hank Uebele and Bob Buksas thank the Lindenhurst Police Association, Bill Kempinski, John and Vi Selzer and Sherry's Liquors for their donations. Al Copon's band had the group upstairs dancing, while the combo of Kay and Jack, had them swinging downstairs.

Canasta Group

Millie Gast entertained her Canasta club last Wednesday. Blaja Laurich filled in for June Simecek and Joan Pendleton for May Hunt. The ladies had an enjoyable evening, as usual.

News of St. Mark's

**BOY SCOUTS OF TROOP 86
REPORT ON FIELD TRIP**
Boy Scouts of Troop 86
went on a trip to the Tichigan
Wildlife area recently as
guests of the Northern Illinois
Conservation Club. They
were accompanied by their
Scoutmaster and assistant
scoutmaster and officers of
the Club. Richard Waters,
president of the club, pointed
out points of interest relating
to conservation. The boys
wrote themes on their
trips when they returned.
Following are some of the
themes written by the boys:

By Roger Eberman
We left the Channel Lake
Grade School at 1:30 p.m.
On our way to the Tichigan
Wildlife Area we stopped at
the edge of a field. Here
Dick pointed out to us some
poor conservation. He explained
how the farmer had
dug many ditches in order to
drain his swamp land for
farming. Doing so he ruined
the possible nesting grounds
for many game birds and he
destroyed nature's balance.
This ground normally acts as
a sponge keeping the water
at the desired level. These
ditches cause the water to
run off quickly and this is a
basic factor in the spring
floods. His only interest

THE ANTIOCH NEWS TO THURSDAY, MARCH 28, 1963

was to get rid of the water
for his immediate use of the
land for farming. He
showed no interest for the
wildlife. The waters in these
ditches is too muddy and
polluted for any desirable
wild life or fish.

Then we went to a public
hunting grounds near Lake
Michigan. The Wisconsin
Conservation Department
sets up such areas for hunters
and fishermen and closes
off certain areas for the protection
of wildlife.

Here we looked at a
stream. But this stream was
much different than the
drainage ditches we saw before.
This water is clear
and just about overflowing
with wildlife. Dick showed
us there is much more to a
stream than what meets the
eye. With a closely knit
wire screen he had on the
end of a pole he skimmed
the bottom. He first dipped
in the mud and showed us
the results. Very little life
if any at all was seen on
the screen. Then he dipped
into a weed bed. We again
examined the screen. Now
it was crawling with life.
There were thousands of
fresh water shrimp. There
were mud-minnows, stipple-
backs, and if you looked

closely you could see
cattus, stick cattus, bur cattus,
crayfish, aquatic bugs of all
kinds, and many other fresh
water insects in their larvae
stages. This emphasizes the
value of plant life in the
streams which couldn't possibly
exist in those drainage
ditches.

Then to top it all off we
stopped near Brown's Lake
on the way home where Dick
pointed out some Indian
mounds and gave us a little
background about them.

It was a very enjoyable
afternoon and I learned very
much, mainly there is more
to nature than meets the
eye, and we must be interested
to conserve this wild-
life forever.

By Allan Kriesant
Grade 6, March 11, 1963
On Sunday, March 10, the
Boy Scouts in Troop 86 Channel
Lake went on a trip to
explore a stream. On our
way there we saw where a
farmer had drained his land
and made a dirty stream.
Later we saw a fresh water
stream. I will compare these
two for you.

First, in the dirty stream
we saw nothing except dirty
water. In the fresh water
stream we saw many things.
Mr. Dick Waters went into
the stream and found min-
nows, frogs, crabs and other
things.

When I first saw the
stream it looked empty. Mr.
Waters said, "If you are
interested in a stream don't
just look at the water and
say nothing is there, look
into it and explore it." You
will know what is in the
stream then.

If you ever look into a
stream look where there is
vegetation, that will be the
only place you will find life.

Our scout masters are Mr.
Ray Atwood and Mr. Richard
Harland.

CUB PACK 86

Cub Scout Pack 86 is
planning a tour of the Glen-
view Naval Air Base on Sun-
day, March 31. They will be
accompanied by Pack Leaders,
Scout Troop 86 and
their leaders will accompany
the Cubs as their guests.

SCOUT LEADERS TO TRAIN

Girl Scout leaders are go-
ing back to school. In the
greatest training effort ever
undertaken by the Girl Scout
movement, all troop leaders
in the Sequoyah Neighbor-
hood of the Lakeview Girl
Scout Council are polishing
up their present knowledge
of Girl Scouting and learning
new ways in leadership
techniques.

Purpose of the training is
to prepare Girl Scout volun-
teers for a program change
that will become effective in
September, 1963. "We have
known for some time," says
Mrs. George Sedivec, Sequoyah
Neighborhood chairman, "that
there has been a need to up-date
the Girl Scout program, now we
know many exciting changes will
take place in September."

Leaders in Antioch, Lake
Villa and Lindenhurst are to
receive training at the Antioch
Scout House April 2nd,
4th and 9th from 9:30 a.m.
to 2:30 p.m. On May 23rd
there will be a final training
course at the Scout House.

The key trainers, who at-
tended a National Girl Scout
Training Course last fall at
Purdue University, are Mrs.
Charles Gruenwald, Waukegan,
and Mrs. John Seibert, Fox Lake.
Twenty-one leaders are
expected to attend the sessions.
This training is being done
because one of the main purposes

IN MEMORIAM

In loving memory of Ted Palaske who passed away March 26, 1963.

Without farewell, you fell asleep

With only memories for me to keep

Take care of him as he takes his rest

Because on earth he was one of the best

The dearest one the earth could hold

A cheery smile, a heart of gold

For those who knew him all will know

How much I lost two years ago

Sadly missed by devoted wife
